Welcome to Term One of 2025 at Eastwood Community Centre!

A new year brings fresh opportunities, and we're excited about what's ahead in 2025.

The Adelaide Symphony Orchestra will return for four community concerts—dates to be confirmed, so follow us on Facebook for updates.

Join us for a Fringe Show on 15 March, a Sing-A-Long Matinee with international act Mr Meredith, featuring everything from Music Hall and Cockney favourites to pop hits and West End classics—come sing along! There will also be an evening show details yet to be announced 😊

This year, we are introducing new support programs after taking on key services from the Cancer Care Centre, which is winding up. These include: Meditation (Wednesdays); Young Women's Cancer Support Group and Women's Cancer Support Group. These programs offer a welcoming space for individuals affected by cancer to connect and find support, reinforcing Eastwood's role in community connection and recovery.

Thanks to the Cancer Care Centre's generosity, we've also refreshed our spaces with new furniture, chairs, and light fittings. A grant will allow us to replace trestle tables with mobile flip-top tables and lightweight chairs, making our spaces more adaptable. The back sitting room has been freshly painted and is available for programs and hire—perfect for children's birthday parties and family events, opening onto our beautiful garden.

As we step into 2025, we remain committed to being a place where people learn, connect, and grow. Whether you're returning or joining us for the first time, we look forward to an exciting year together.

See you at Eastwood!
